Verse 1

Remember Peter walking on the water
He made a step by faith
Remember the woman with the little oil
And the little meal she bake a cake by faith
Remember the children of Israel by the walls of Jericho
They march along by faith
And I believe that you and I could
Have the victory just look ahead by faith

Chorus

Verse 2

We walk by faith and not by sight
Pray night and day just do the things right
Am even on my knees in the middle of the night
Just to walk straight
For without faith its impossible to please Him
He cometh to Jah should believe Him
He's a rewarder of them that diligently seek him
Believe and pray

Chorus

Verse 3

The woman with the issue say she press by faith
She reached and touched the garment of Christ
By faith that same woman of course got her healing
By faith and you and I just calling
On the Father by faith
Say Jesus broke the five loaves and the fishes
By faith the dead received life again by faith
Sick man got healing again by faith
And you and I just calling on the Father by faith

Chorus
