

GOD IS

Written by: Kereen Gregory
Performed by: Kereen Gregory

CHORUS

*God is my Doctor, my Lawyer
He's my Teacher, my Counselor
God is my Burden Bearer
God I, He's my very best friend
God is, Alpha and Omega
God is, my beginning and the end
I'm reminded God Is.*

Verse 1

Often times I wonder why life's the way it is
Often times I wonder will I die or will I live
Often times I wonder is this all life has to give
And I'm reminded, God Is.

Verse 2

Sometimes I worry about the things I see around
Sometimes I'm fearful I wonder where could God be found
Sometimes I panic what I do is just run around
I'm reminded yes, my God is.

BRIDGE

God is a way maker he's always there
He never sleeps, he's there if you would seek him
God is your helper, just believe
Be reminded, God Is

Chorus
