God is my refuge, and strength, a very present help in the time of trouble. Be encouraged.  
Listen!

1.  
I remember when, I was all alone,  
Trials on every-hand, no-one there to call,  
Jesus was there, around me like a fence  
He is, my refuge and my strength (Oh)

*Chorus*

*God is my refuge and strength,  
God is my refuge and strength,  
A present help, in the time of trouble,  
God is my refuge and strength,*

When my enemies, came up against me,  
To eat up my flesh, they stumbled and fell,  
Jesus was there, around me like a fence,  
He is my refuge and my strength (Hey)

(And when I need a hiding place)
