

## LET US PRAY

Written by: Damion Bell  
Performed by: Damion Bell

If there is nothing else we can't do or say yea!  
Come let us pray yea e yea..... and pray this pain away  
Yea this is Minister Treasure  
The Lord is my light and salvation  
Listen!

### CHORUS:

*Come let us pray and pray for a better day  
Too much killing going on.....  
Come and let us pray and pray for a better JA  
Christians you know we've got to be strong (repeat)*

1.

We need some more prayer and fasting  
In our island we need loving everlasting  
Wi tired fi hear the gun blasting.....  
Come on let us pray fi our brethren, yea....  
Pray fi di man dem weh a bus dem gun  
And di man dem weh a seh a blood fi run  
Pray fi di one dem weh a chant fire-bun  
And mek dem know di real judgment soon come, Alright!  
Hold-on going the right direction  
Be strong and hold a firm meditation  
Read your bible; Genesis to Revelation  
It teaches you about salvation, yea.....  
And wi have to pray fi our leaders  
That one day they can be believers  
That's why wi naah guh stop pray  
Come mek wi pray every night and day

### *Chorus*

2.

The blood of Jesus runs for me  
He pay di price and yes him set me free  
On that cross yes at Calvary  
Yes he died to save you and me, Lord Lord yea.....

**LET US PRAY**

Look like mankind nuh have nuh love nuh more  
Dem jus a t'ink bout who and who fa skull fi bore  
Just answer when Christ knock your door  
Because with Him we safe and secure.

*Chorus*

3  
Love is all need to show  
Exercise love, love will grow  
And we got to show some more  
Show some love.....(Repeat)
