1. If God provide for di grass an di sparrow
Why should we worry or t'ink about tomorrow
Some of us boast how wi know di Lawd
Yet wi bawl so much dat life is so hard
Just take one day at a time an yuh know everything will be fine
Don't watch what people might say give thanks an pray for a better day

Chorus

***Lift up yuh hand give t'anks to di father
For everything dat yuh going through
If he provide for di grass an sparrow
Yuh done kno, he'll provide for you. (rept.)***

2. Little is much if God is in it
In di fridge only wata in it
Worry's an trouble pon yuh right an yuh left hand
Don't know where di next meal a come from
Everyday pure killing an stealing, "Cho"
All a dis add to di bad feeling
T'ings tuff but nuh blame di Lawd
Yuh fi still give t'anks even though t'ings hard

Chorus: Twice

Vamp: Even if Ivan mash up yuh plan
Even if there is trouble in di land
Even when there's no money in yuh hand
Jesus is there to keep you strong

Chorus

Vamp: If all yuh have is a quad over yuh head,
One pair a shoes, a coal stove an a bed
Even if yuh have no table nor chair nuh worry
yuhself
Yuh know Jesus cares

Chorus
