

NOTHING SWEETER THAN THE LORD

Written by: Dorothy Small
Performed by: Saho Hinds

Chorus

***There's nothing sweeter than the presence of the Lord;
There's nothing sweeter than his holy touch
There's nothing sweeter than the essence of Calvary,
Truly nothing, nothing sweeter than the Lord.***

1. I woke up this morning clothed in my right mind
All my members are working, all my organs are functioning
When I think of God's goodness and all of his blessing,
What a wonderful Saviour let's give God the glory.
2. Today is a new day and my spirit is soaring;
The breath that I breath is a gift of my Saviour.
So I entered God's presence with gratitude to worship,
What a wonderful Saviour let's give God the glory.

Ending: There is nothing, there is nothing,
Oh there is nothing, absolutely nothing
There is nothing, nothing sweeter than the Lord.
